

GRANTS FOR THE ARTS

GO Grants System / Getting Started for Current Grantees

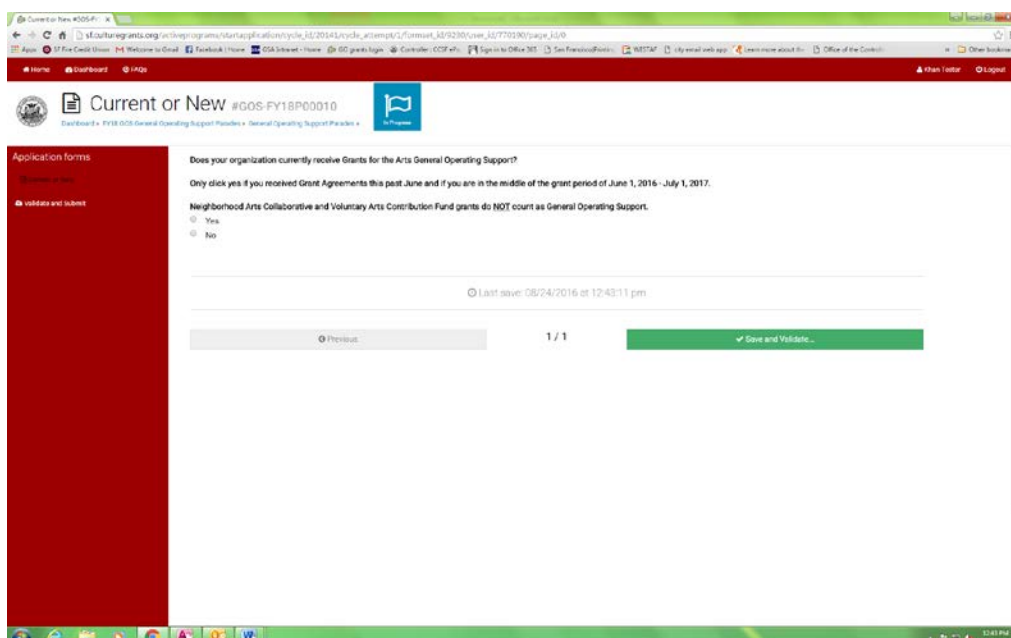

After creating your account, you will be prompted to log-in. After logging in, you will see the list of grant programs. Scroll down to the Grants for the Arts section.

Find the program you are applying to, and hit green "Apply" button. The instructions that follow pertain to the General Operating Support programs – the procedure is the same whether you are an Arts organization or a Parade.

1. Current or new

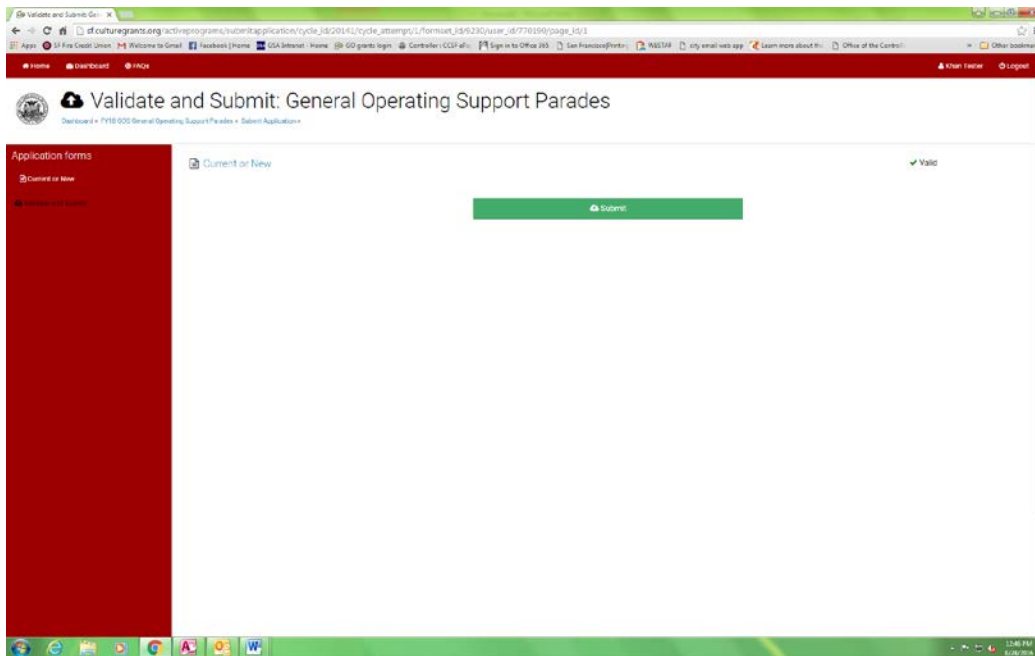

After you hit "Apply", the next screen will ask if you are currently receiving GFTA General Operating Support.

2. Validate and Submit

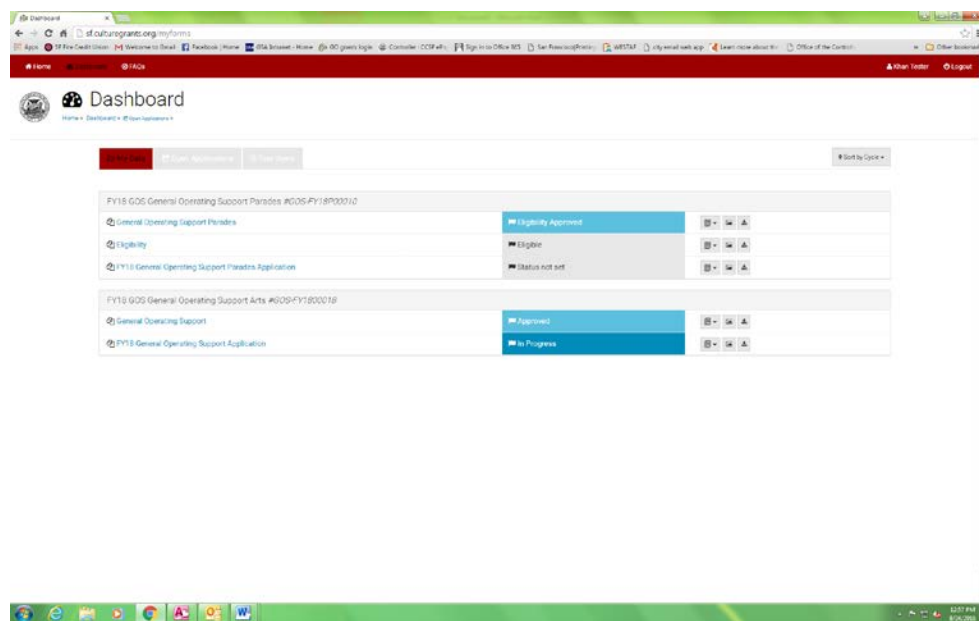

As a Current Grantee, your response will be “Yes”. Select “Yes” and hit the green “Save and Validate” button.

You will then be taken to a Validate and Submit screen.

Hit the green “Submit” button.

You will be taken to your Dashboard, where the application will appear under the “My Data” tab. It will read “FY18 General Operating Support Parade Application,” or “FY18 General Operating Support Arts Application”.

Click on the appropriate link to begin filling out the application.

Be sure to save your progress as you go!
